- Flexible scheduling – 7 days a week, out-of-hours options
- Fully insured, uniformed staff
- Trusted by local & national operators

SERVING THE NORTH EAST & BEYOND

OUR MISSION

At **Prestige Valet**, we deliver professional mobile fleet washing & valeting services across the North East of England.

Whether you operate **vans, trucks, buses, or HGVs**, we keep your vehicles looking their best with reliable, cost-effective fleet washing.

Our fully self-sufficient vans bring their own water and power, allowing us to operate at depots, yards, and remote sites with zero disruption.

LET'S

CONNECT

Meet JORDAN

FOUNDER & DIRECTOR

I'm hands-on in the business, from quoting and customer relationships to delivering high-quality service on-site. My focus is simple: reliability, consistency, and helping my clients protect their brand through clean, well-maintained fleets. With regular contracts and a growing customer base, I'm always looking to connect with fleet managers, transport teams, and businesses who care about their company image.
